Thursday 1st April, 2021

Dear Parents/Carers,

Today is the end of Term 4 and what a term it has been! I think it has been one that has tested us all to our limits. The staff are exhausted and looking forward to a break, as are many of the children. For me, Easter is my favourite of the school holidays, especially if we get some good weather and we can get out into the fresh air more.

Thank you to everyone for their support this term, whether with the home learning, or just helping to keep us open by following the guidelines. Covid hasn't gone away, but it isn't as prevalent as it was recently, or certainly back this time last year. Let us hope we keep moving in the right direction.

Please can I remind you that if your child tests positive for covid between now and Wednesday 7th April, you must let me know. To do this, please send an email to c19alert@hempsted.gloucs.sch.uk.

It would be really helpful to us if you could order school lunches as early as possible for next term using the School Money site.

Term 5 starts on Monday 19th April (current timings still apply), and hopefully by then things will be even better and we will have a greater understanding of how school life can start to return to normal.

I wish you all a Happy Easter!

Kind regards,

Mr Waller
