

FUN AND FAITH

Hempsted Children and Families Newsletter

Hello and happy February! It's Valentine's Day this month. The symbol of a heart can remind us to love one another as God loves us, to be caring and kind-hearted. Keep a look out for the heart tree in Hempsted churchyard and check out the heart activity at the bottom of this page. Part of caring for each other is also caring for our environment and community. We invite you to come to our February Messy Church Goes Wild session, which will be outside, focusing on loving the natural world. You might also like to join in with our Hempsted Eco Church Litter Pick in March. Please contact me for information about any of our events. See you soon! Love and prayers from me and everyone at church.
