

Ways to support your Year 2 child.

Autumn Term

If you would like to support, extend or challenge your child further this document will guide you to additional resources and ideas that will support or extend the work they will do in class

English

Reading – Visit your local library to find some interesting non-fiction books or different stories that you can read together.

Oxford Owl – You can log in to Oxford Owl using the details below to access different books for your child to read.

Username – hempclass2

Password – peg4

Maths

Click the links below to find lessons and games to support your learning in maths.

Numbots – click [here](#)

Place Value – click [here](#) for a game to help recognise numbers. Start with numbers up to 29, then numbers up to 59 and continue to numbers up to 99 if a challenge is needed.

Counting – click [here](#) for a game to help with counting. Different stages available.

Other subjects.

Music

There are some lovely lessons to further your child's understanding of 'pulse', developed by the Oak academy. Please click [here](#) to watch some videos teaching about pulse.

Science

A discussion around the story of 'The very hungry caterpillar' by Eric Carle is a great starting point for understanding life cycles and how animals change as they grow into adults.

Visiting a farm park is always a good way to get a hands on look at animals and their babies.

Art

Visit an Art Gallery and look at some Portraits.

Discover more about Pablo Picasso and his work.

History

Find out more about your family ready to create your family tree.

Religious Education

We will be learning about the religion of Islam and how Muslims live their lives. Click [here](#) for some appropriate videos. Watch *How Muslims care* and *A Visit to a Mosque*.
