

Ways to support your Year 4 child.

Summer Term

If you would like to support, extend or challenge your child further, this document will guide you to additional resources that will support or extend the work they will do in class this term.

English

Reading

- Visit your local library and choose books (non-fiction topic books and/or fiction books)
- Read a book together. Your child will benefit listening to you read them a book

Click [here](#) for some Year 4 grammar lessons on complex sentences

Click [here](#) for Year 4 spelling using homophones

Spelling – **Look, cover, write and check Game**: a great way to practise spelling patterns and tricky words. You can enter your own words to test yourself too. Click [here](#)

Maths

Click the links below to find lessons and games to support your learning in maths this term.

- Online Year 4 [Decimals](#)
- Online Year 4 [Fractions](#)
- Online Year 4 [Time](#)
- Online Year 4 [Position and Direction](#)

Learning your Timetables – practise by playing:

- [Hit the Button](#)
- [TTRockstars](#)

Other subjects:

Geography

This term, we are studying Water.

Click [here](#) to find some additional lessons on the Water.

Science

This term we are covering 'States of Matter' and 'Habitats'

Some additional learning on 'States of Matter' can be found by clicking [here](#)

Drama

After doing Narrative poetry in English with 'The Snail and the Whale', try lesson 1 and 2 exploring narrative poetry through drama, using the story The Piped Piper of Hameln. Lesson 1 and 2 can be found by clicking on the link [here](#)

Possible day trips to enhance your child's experience of our classroom learning

- Walk around parks, nature reserves and explore the different types of habitats and the animals you might find there. Remember to be gentle and leave animals in their nature habitat.
